**Grade Key:** This Voting Guide Report Card is for all incumbents in Virginia. Each grade was determined by each respective politicians voting record in regards to legislation that helps the hemp industry, and their public support and/or co-sponsorship or co-patronship of hemp legislation.

**A+ :** Fully supports the hemp industry and has been a chief sponsor or patron of pro-hemp legislation.

**A :** Fully supports the hemp industry and has co-sponsored or co-patroned pro-hemp legislation.

**B:** Supports the hemp industry with voting record and public statements but has not yet co-sponsored or co-patroned pro-hemp legislation.

**C:** Has not supported the hemp industry publicly and could be doing more to help the cause but has not voted against the hemp industry.

**D:** Has had many opportunities to publicly support the hemp industry but has declined, and has also voted against hemp bills.

**F:** Has always voted against the hemp industry when given the chance and has also not publicly supported the hemp industry.
